A Part of BAMSI

Brockton Area Multi-Services, Inc. is a statewide human services organization dedicated to “bringing people and services together.” Incorporated in 1975, BAMSI is one of the largest minority non-profit organizations in Massachusetts and delivers a broad spectrum of high-quality services to individuals and families. Program services include day and residential programs; counseling and outreach; school-based services; child and family support services; and information, referral, and advocacy.

Department of Mental Health

The mission of the Department of Mental Health is to improve the quality of life for adults with serious and persistent mental illness and children with serious mental illness or severe emotional disturbance. This is accomplished by ensuring access to an integrated network of effective, efficient and culturally competent mental health services that promotes consumer rights, responsibilities, rehabilitation, and recovery.

Our Mission

BAMSI and Community Based Flexible Supports (CBFS) strive to serve individuals and families of Massachusetts by improving the quality of their lives and their sense of self-worth.

Recovery and CBFS

BAMSI CBFS supports and encourages the growth and development of all persons served. CBFS services facilitate recovery through:

- Community Support
- Crisis Intervention
- Peer Support
- Individual and Group Support
- Residential Services

Program Goals

Staff of the CBFS programs will provide assistance and support in many areas, including:

- Safe, stable housing
- Full participation in the community
- Self-determination and empowerment
- Wellness and improved physical health
- Independent employment

Special Populations

- Transitional age youth
- Older adults
- Visually impaired
- Dually diagnosed
- Medically intensive
- Culturally diverse

How Does CBFS Work?

You will be assigned staff who will help you access the services provided within the CBFS program as well as services you may need outside of BAMSI.

Who Will Be Involved

We will help you develop a plan that will guide the services you receive toward reaching your personal goals. You may choose other individuals in your life, like a family member or trusted friend, to take part in the planning of these goals.
