Social activities day program

The Dorn Davies Senior Center offers a program of social activities for elders requiring daytime supervision and non-medical assistance due to physical, social, or emotional problems.

The program is designed specifically for seniors who are able to care for their personal needs but are isolated due to lack of either formal or informal supports. The program aims to provide relief to families caring for frail elders in their homes and to alleviate caregivers' stress.

Program hours are 9:00 a.m. to 3:00 p.m., Monday through Friday. Participants may attend any or all days. Short-term and intermittent enrollments are also offered, when appropriate, for clients whose caregivers need periodic respite. Bus transportation is available through BAT (Brockton Area Transit).

The fee for the social activities day program is \$40 per day and includes all activities and lunch.

The client or caregiver is billed monthly.
