

ARE YOU BETWEEN 18-65 YEARS OLD? DO YOU HAVE MASSHEALTH?

Could you use support with:

- Managing your mental or physical health?
- Getting to multiple appointments?
- Improving quality of life?
- Housing, food, employment, or education?
- Loneliness or other social needs?

Have you experienced any of the following over the last year?

- Emergency room visit
- Admission to a psychiatric or health hospital
- Detoxification treatment center
- Medicated assisted treatment clinic
- Clubhouse services
- Adult day treatment program
- Outpatient mental health services
- Respite or community stabilization setting

Get the support you deserve:

- Following an emergency room visit
- Following a discharge from a hospital or treatment center
- Help with referrals
- Advocate for services with your MassHealth plan

If you answered YES to any of the above, you may be eligible for Care Coordination services through your MassHealth plan. Coordinated Care Network can support your existing services and care. It does NOT replace or end your current services.
