

BAMSISM HELPLINE

In collaboration with community partners,

HELPLINE acts as a community resource for individuals and families, particularly at times of financial instability.

HELPLINE can assist you to link with a variety of community resources.

Are you ...

- New to the neighborhood?
- Seeking resources and services?
- At risk of having your utilities turned off?
- A senior who cannot afford your prescription medications?
- At risk of being evicted?
- Experiencing a recent life crisis which left you financially devastated?

HELPLINE is a team ...

of staff and volunteers whose goal is to link those in need with services and support. During each confidential call, you'll have the opportunity to share your specific situation with a knowledgeable person who can offer guidance, possible solutions, or alternatives.

Get the support you deserve.

The goal of HELPLINE is to provide information, referral and advocacy. After exploring possible solutions and options, our helpful and caring staff may refer you to a provider or an agency that best fits your needs.

Referrals include:

- Food pantries or vouchers
- Clothing or furniture support
- Fuel or utility assistance
- Housing or rental assistance
- Healthcare and mental health counseling
- Other social service agencies
- Elderly services and resources
- Transitional aged youth services
- Substance abuse services
- Thrift stores
